IMPROVEMENTS TO PEDESTRIAN OVERPASS TO REQUIRE LANE CLOSURE IN INTERSTATE 430

LITTLE ROCK (4-25) -- Crews installing a camera on a pedestrian overpass will require a lane closure tomorrow on Interstate 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure will be located between the Interstate 430/630 interchange and the Rodney Parham Road Exit and will require the northbound, inside lane to be closed on Tuesday, April 26th.

The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
