IMPROVEMENTS TO INTERSTATE 30 IN PULASKI COUNTY TO REQUIRE LANE CLOSURE

LITTLE ROCK (6-3) -- Crews performing guardrail and light pole repair will require a lane closure next week on Interstate 30 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The improvements, in the vicinity of the Interstate 30/440 interchange, will require the eastbound, inside lane to be closed on Monday June 6th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
