LIGHTING REPAIRS ON INTERSTATE 30 IN NORTH LITTLE ROCK TO REQUIRE LANE CLOSURE

LITTLE ROCK (9-21) -- Crews with North Little Rock Electric working on street lighting on Interstate 30 in North Little Rock will require a lane closure this week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The improvements will be located between the Arkansas River and Interstate 40 and will require the eastbound, inside lane to be closed on Saturday, September 24th. The lane closure will be in effect between the hours of 6:00 a.m. and 4:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
