LITTLE ROCK (10-13) -- Crews completing a routine bridge inspection of the Interstate 30 Bridge over the Arkansas River between Little Rock and North Little Rock will require a lane closure this weekend, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection will require a northbound and southbound, outside lane closure on Sunday, October 16th. The lane closures will be in effect between the hours of 6:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
