PAVEMENT IMPROVEMENTS ON INTERSTATE 30 TO REQUIRE LANE CLOSURE

LITTLE ROCK (11-1) -- Crews performing pavement repair will require a lane closure this week on Interstate 30 in Saline County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The repairs, located west of the Hot Springs (Highway 70) Exit, will require the westbound, outside lane to be closed on Wednesday, November 2nd. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
