IMPROVEMENTS TO INTERSTATE 40/55 IN WEST MEMPHIS TO REQUIRE LANE CLOSURE

LITTLE ROCK (11-4) -- Crews performing concrete repair will require a lane closure on Interstate 40/55 in West Memphis beginning this weekend, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The improvements will require the westbound, center lane on Interstate 40/55 to be closed between Ingram Boulevard and Missouri Street beginning on Sunday, November 6th and continuing through Thursday, November 10th, weather permitting.

In addition to the center lane, crews working at night will also require the westbound inside lane to be closed between the hours of 10:00 p.m. and 6:00 a.m. at the same location beginning Sunday night, November 6th and continuing through Wednesday night, November 9th.

Motorists should exercise caution when approaching and traveling through all highway work zones.
