ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN MARION COUNTY

LITTLE ROCK (9-09) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Marion County, according to Commissioner Dick Trammel of Rogers and Marion County Judge James Giles.

The purpose of the project is to reconstruct approximately two miles of County Road 6, near Bruno. Eaton Excavating, Inc. of Harrison, Arkansas, was awarded the contract at \$1,244,128.32.

“These improvements will begin at the Searcy County Line and continue to the northwest,” stated Judge Giles.

Trammel noted that the County Road project is funded through the State Aid Road Program established by the legislature and administered by the State Aid Division of the Arkansas State Highway and Transportation Department. This program provides approximately \$20 million annually from the state motor fuels tax to assist counties with projects of their choosing on the county road system.

Trammel said work could begin on the project in two to four weeks, weather permitting. Completion is expected in the spring of 2012.
