ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN PRAIRIE COUNTY

LITTLE ROCK (1-12) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Prairie County, according to Commissioner Carl Rosenbaum of Little Rock.

The purpose of the project is to rehabilitate the deck of the White River Bridge on Highway 38, at Des Arc. Penhall Company of Anaheim, California, was awarded the contract at \$1,072,157.90.

“Plans call for removing the top two inches of the driving surface and replacing it with a new surface,” stated Rosenbaum. “These improvements will provide a better driving surface for years to come.”

Rosenbaum said work could begin on the project in two to four weeks, weather permitting. Completion is expected in mid 2011.
