ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN POINSETT COUNTY

LITTLE ROCK (4-13) -- The Arkansas State Highway Commission has opened bids for improvements to roadways in Poinsett County, according to Commission Vice Chairman John Ed Regenold of Armorel.

The project will resurface approximately five miles of Highways 1 and 14. Asphalt Producers, LLC of Jonesboro, Arkansas, was awarded the contract at \$684,197.82.

“Improvements on Highway 14 will be located near Waldenburg,” stated Regenold. “The project will begin at Highway 49 and continue eastward.”

“Resurfacing on Highway 1 will begin at the intersection with Highway 158, near Greenfield, and extend southward,” Burkhalter added.

Regenold said work could begin on the project in two to four weeks, weather permitting. Completion on both highways is expected in September of this year.
