ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN FRANKLIN AND LOGAN COUNTIES

LITTLE ROCK (7-20) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Franklin and Logan Counties, according to Commissioner Dick Trammel of Rogers.

The purpose of the project is to resurface approximately three miles of Highway 23, near Caulksville. Blackstone Construction, LLC of Russellville, Arkansas, was awarded the contract at \$571,942.91.

“This project will begin in Logan County at the intersection with Highway 22 and continue northward to Hurricane Creek, in Franklin County,” Trammel stated.

Trammel said work could begin on the project in two to four weeks, weather permitting. Completion is expected in November of this year.
