ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN PULASKI COUNTY

LITTLE ROCK (10-19) -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Pulaski County, according to Commissioner Tom Schueck of Little Rock.

The purpose of the project is to widen approximately one mile of Graham Road, in Jacksonville, to four lanes. Township Builders, Inc. of Little Rock, Arkansas, was awarded the contract at \$3,350,500.

“This widening project will begin at Oak Street and continue eastward to Loop Road,” stated Schueck. “In addition to widening from two to four lanes, sidewalks will be added to both sides of the roadway. A left turn lane is also being added at the intersection with Wright Loop Road.”

Schueck said work could begin on the projects in two to four weeks, weather permitting. Completion is expected in early 2013.
