BRIDGE INSPECTION ON HIGHWAY 365 TO REQUIRE LANE CLOSURE

LITTLE ROCK (1-3) -- Crews performing a routine bridge inspection will require a lane closure this week on Highway 365, just south of the Pulaski/Faulkner County line, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The repairs will require an alternating lane closure tomorrow, January 4th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
