AHTD TO HOLD PUBLIC MEETING IN OZARK

LITTLE ROCK (3-22) The Arkansas State Highway and Transportation Department (AHTD) will hold a Location and Design Public Hearing in Ozark to discuss plans for a new roadway in the city, according to AHTD officials.

The meeting will be held on Thursday, March 29th, from 4:00 p.m. to 7:00 p.m., in the Ozark High School Library, 1631 Hillbilly Lane, in Ozark.

Plans call for constructing a new two-lane city street connecting Highway 23 and Hillybilly Lane in Ozark. This new roadway will provide better access to an area of the town that includes Ozark High School, the Franklin County Fairgrounds, and West Side City Park.

The public is invited to visit anytime during the scheduled hours to view displays, ask questions and offer comments. For more information, contact the Arkansas State Highway and Transportation Department's Environmental Division at 501-569-2281.
