LITTLE ROCK (5-3) -- Crews performing a routine inspection of the Highway 64 (Midland Boulevard) Bridge over the Arkansas River between Fort Smith and Van Buren will require alternating lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection will require alternating lanes to be closed beginning Monday, May 7th and continuing through Wednesday, May 9th. The lane closures will be in effect between the hours of 9:00 a.m. and 3:00 p.m. daily, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
