### 2012 ARKANSAS HIGHWAY MAPS AVAILABLE FROM HIGHWAY AND TRANSPORTATION DEPARTMENT

**LITTLE ROCK (6-7)** – The 2012 Arkansas State Highway Map is now available from the Arkansas State Highway and Transportation Department (AHTD), according to AHTD Director Scott Bennett.

The maps may be obtained, at no charge, at any of the Highway Department's District Headquarters across the state and at all Arkansas Welcome Centers. They are also available at the AHTD Central Office at 10324 Interstate 30 in Little Rock, by phone at 501-569-2444 or online at [www.arkansashighways.com](http://www.arkansashighways.com). To request one by mail, the address is AHTD, Map Sales Section, P.O. Box 2261, Little Rock, AR 72203.

The cover of the 2012 highway map features Highway 35 in Grant County. The map also includes messages from Governor Mike Beebe and the Arkansas State Highway Commission welcoming visitors to the state. The map incorporates 23 insets of Arkansas cities, a chart showing mileage between cities and a directory of Public Recreation Areas featuring State Parks and Historic Memorials, National Park Sites, National Forest Recreation Areas and Corps of Engineers Parks. It also includes information on the \*55 program of the Arkansas State Police and the "Know the Red Zones" program indicating highway projects that have significantly reduced capacity that can lead to travel delays.

More than one million maps are expected to be distributed free of charge to the public.
