DISMANTLING OF FENCE AT RAY WINDER FIELD TO REQUIRE NIGHTTIME LANE CLOSURES ON INTERSTATE 630

LITTLE ROCK (7-5) – The University of Arkansas for Medical Sciences (UAMS) has announced that crews dismantling the outfield fence at Ray Winder Field in Little Rock will require nighttime lane closures on Interstate 630 next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The removal of the fence will require the westbound outside lane to be closed nightly in the area between Cedar Street and Fair Park Boulevard beginning Monday, July 9th and continuing through Wednesday, July 11th. The lane closure will be in effect between the hours of 7:00 p.m. and 6:00 a.m. each night, weather permitting.

In addition, on Thursday, July 12th and Friday, July 13th, closure of all three eastbound and westbound lanes for 15-minute intervals will occur between the hours of 1:30 a.m. and 4:30 a.m.

Motorists should exercise caution when approaching and traveling through the area of Interstate 630 near the ball field.
