The improvements will require the eastbound and westbound, outside and center lanes on Interstate 630 to be closed beginning on Sunday night, July 8th and continuing through Friday morning, July 13<sup>th</sup>, weather permitting. The closures will resume on Sunday, July 15<sup>th</sup> and continue through Friday morning, July 20<sup>th</sup>. The lane closures will be in effect between the hours of 9:00 p.m. and 5:00 a.m.

Eastbound and westbound motorists will be required to merge left from three travel lanes into one travel lane.

Periodically, 15-minute lane closures will be utilized on Interstate 630 to allow removal of girders and road deck over the travel lanes.
