DRILLING ON HIGHWAY 67 TO REQUIRE NIGHTTIME LANE CLOSURE

LITTLE ROCK (8-6) -- Crews performing geotechnical investigative drilling for an upcoming construction project will require a nighttime lane closure on Highway 67 at Jacksonville this week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The drilling will require the northbound, outside lane to be closed Tuesday night, August 7th and Wednesday night, August 8th. The lane closure will be in effect between the hours of 7:00 p.m. and 6:00 a.m. each night, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
