IMPROVEMENTS ON INTERSTATE 440 IN NORTH LITTLE ROCK TO REQUIRE LANE CLOSURE

LITTLE ROCK (8-24) -- Crews performing bridge deck repairs on Interstate 440 in the Faulkner Lake area of North Little Rock will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The improvements will require the eastbound, outside lane to be closed beginning Monday, August 27th and continuing through Thursday, August 30th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. daily, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
