DRILLING ON HIGHWAY 67 IN JACKSONVILLE TO REQUIRE NIGHTTIME LANE CLOSURE

LITTLE ROCK (9-7) -- Crews performing geotechnical sampling on Highway 67 in Jacksonville will require a nighttime lane closure again next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The sampling will require the southbound, outside lane near the Main Street Exit to be closed Monday night, September 10th and Tuesday night, September 11th. The lane closure will be in effect between the hours of 7:00 p.m. and 6:00 a.m. each night, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
