DRILLING ON INTERSTATE 530 IN PULASKI COUNTY TO REQUIRE LANE CLOSURES

LITTLE ROCK (9-21) -- Crews performing geotechnical sampling on Interstate 530 in Pulaski County will require lane closures again next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The sampling will require the northbound, outside lane to be closed in the area between Interstate 30 and Highway 167 beginning Monday, September 24th, and continuing through Wednesday, September 26th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
