DRILLING ON INTERSTATE 30 IN SALINE COUNTY TO REQUIRE LANE CLOSURE

LITTLE ROCK (10-4) -- Crews performing geotechnical sampling on Interstate 30 in Saline County will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The sampling will require the westbound, inside lane to be closed in the area just west of the Hot Springs/Highway 70 Exit on Monday, October 8th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
