SAMPLING ON INTERSTATE 40 IN ST. FRANCIS COUNTY TO REQUIRE NIGHTTIME LANE CLOSURE

LITTLE ROCK (10-2) -- Crews taking pavement core samples on Interstate 40 in St. Francis County will require a nighttime lane closure this week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The sampling will require the eastbound, outside lane to be closed in the area between Widener and Shearerville on Thursday night, October 4th and Friday night, October 5th. The lane closure will be in effect between the hours of 6:00 p.m. and 10:00 a.m. each night, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
