BRIDGE INSPECTION ON INTERSTATE 30 IN LITTLE ROCK TO REQUIRE LANE CLOSURE

LITTLE ROCK (10-9) -- Crews performing a routine bridge inspection on Interstate 30 in Little Rock will require a lane closure this week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The bridge inspection, located on the Arch Street overpass near Interstate Park, will require the eastbound, outside lane to be closed on Thursday, October 11th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
