BRIDGE INSPECTION ON HIGHWAY 270 IN HOT SPRINGS TO REQUIRE LANE CLOSURES

LITTLE ROCK (10-12) -- Crews performing a routine bridge inspection on Highway 270, over Lake Hamilton in Hot Springs, will require lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The bridge inspection will require alternating lane closures of the eastbound and westbound lanes on Monday, October 15th and Tuesday, October 16th. The lane closures will be in effect between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
