ROUTINE MAINTENANCE ON HIGHWAY 187 BRIDGE TO REQUIRE DAILY BRIDGE CLOSURE

LITTLE ROCK (11-20) -- Crews performing routine maintenance on the Highway 187 Bridge over the White River at Beaver, will require the bridge to be closed daily each weekday beginning next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The bridge work will require temporarily closing the bridge to traffic each Monday through Friday beginning Monday, November 26th and continuing for approximately three weeks. The closure will be in effect between the hours of 8:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should plan an alternate route during the hours that the bridge is closed.
