GRASS SEEDING AT INTERSTATE 430/630 INTERCHANGE TO REQUIRE TEMPORARY RAMP CLOSURES

LITTLE ROCK (12-13) -- Crews seeding the slope around the Big Rock at the 430/630 interchange in Little Rock will require temporary ramp closures this Sunday, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The seeding will require the Interstate 430 North exit ramp to Interstate 630 East to be closed for 15-minute intervals this Sunday, December 16th. The intermittent ramp closures will be in effect between the hours of 6:00 a.m. and 9:00 a.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
