ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT OPENS BIDS FOR IMPROVEMENTS IN ASHLEY COUNTY

LITTLE ROCK (3-27) -- The Arkansas State Highway and Transportation Department has opened bids for improvements to a roadway in Ashley County, according to the Arkansas State Highway Commission.

The project will rehabilitate traffic signals and improve intersections at two locations in Crossett. All Service Electric, Inc. of Hot Springs, Arkansas, was awarded the contract at \$291,386.80.

Plans call for upgrading signals at the intersections of Highway 133 and Third Avenue, and at Highway 133T and Third Avenue. In addition to upgraded signals, the work will include new ramps and new crosswalks at both locations, as well as some drainage work.

Work could begin on the project in two to four weeks, weather permitting. The project should be completed later this year.
