### ARKANSAS HIGHWAY COMMISSION APPROVES BID FOR IMPROVEMENTS IN LOGAN COUNTY

**LITTLE ROCK (7-29)** -- The Arkansas State Highway Commission approved a bid for improvements to a roadway in Logan County, according to the Arkansas State Highway and Transportation Department (AHTD) officials and County Judge Gus Young.

The purpose of the project is to construct a box culvert on Country Road 515 (Lyle Chapel Road) in Logan County.

The work will be performed on County Road 515 (Lyle Chapel Road) just south of Mid Valley Road, west of Booneville.

Hardrock Construction, Inc. of Russellville, AR was awarded the contract at \$268,412.04.

This county road project is funded through the State Aid Road Program established by the legislature and administered by the State Aid Division of the Arkansas State Highway and Transportation Department. This Program provides approximately \$20 million annually from the state motor fuels tax to assist counties with projects of their choosing on the county road system.

Construction is scheduled to begin in two to four weeks, weather permitting. The project will be complete by this fall.
