**LITTLE ROCK (7-29)** -- The Arkansas State Highway Commission approved a bid for improvements to a roadway in Pike County, according to the Arkansas State Highway and Transportation Department (AHTD) officials and County Judge Donald Baker.

The purpose of the project is surface 2.2 miles of County Road 15 (Strawberry Road) in Pike County.

The work on County Road 15 (Strawberry Road) will extend from County Road 13 to just south of Tommie Lane.

Pike County of Murfreesboro, AR was awarded the contract at \$164,999.09.

This county road project is funded through the State Aid Road Program established by the legislature and administered by the State Aid Division of the Arkansas State Highway and Transportation Department. This Program provides approximately \$20 million annually from the state motor fuels tax to assist counties with projects of their choosing on the county road system.

Construction is scheduled to begin in two to four weeks, weather permitting. The project will be complete by this fall.
