ARKANSAS HIGHWAY COMMISSION APPROVES BID FOR IMPROVEMENTS IN CHICOT COUNTY

LITTLE ROCK (9-17) - The Arkansas State Highway Commission approved a bid for improvements to roadways in Chicot County, according to the Arkansas State Highway and Transportation Department (AHTD) officials.

The purpose of the project is to resurface 1 mile on three streets in Eudora. The work will be performed on the following streets:

Street	Location	Distance
Peebles Street	Between railroad tracks and Highway 65	0.55
Knight Street	Between South Grant St. and South Harlem St.	0.25
Park Place	Just east of Highway 65	0.17

APAC-Mississippi, Inc. of Jackson, MS was awarded the contract at \$196,507.53.

Construction is scheduled to begin in two to four weeks, weather permitting. The project should be complete by the end of this year.

This project is being funded through the State Aid City Streets Program approved by lawmakers in 2011 and voters in 2012. This program provides \$20 million annually from the state motor fuels tax to assist cities with projects selected by a nine-member panel of Arkansas mayors.
