## **ACCIDENT CLEAN-UP ON INTERSTATE 30 REQUIRES TEMPORARY LANE CLOSURES IN SALINE COUNTY**

**LITTLE ROCK (3-4)** – Environmental crews removing spilled diesel fuel from last Wednesday's tractor trailer accident in Saline County will require lane closures this week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the inside westbound lane to be closed between the 110.5 and 111 mile marker. That is located near the Interstate 30/Highway 70 interchange west of Benton. The closures will be Tuesday, March 5th through Wednesday March 6<sup>th</sup>, between the hours of 8:00 a.m. and 5:30 p.m.

Motorists should exercise caution when approaching and traveling through all highway work zones.
