Bridge Repairs Require Continued Lane Closure on Highway 10 (Cantrell Road) in Little Rock

LITTLE ROCK (7-12) Bridge deck repairs on Highway 10 (Cantrell Road) in Little Rock will require a continued lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the westbound outside lane of Cantrell Road to be closed on the railroad bridge (Lincoln Viaduct) located just west of Dillard's corporate headquarters in Little Rock. The closures will be Monday, July 15th through Thursday, July 18th between 9:00 a.m. and 3:00 p.m. each day, weather permitting. Traffic will be controlled using cones and warning signs.

This work is expected to continue for the next 3 or 4 weeks except for Fridays and weekends. AHTD will provide lane closure advisories each Friday until the work is complete.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
