BRIDGE MAINTENANCE ON HIGHWAY 7 AND HIGHWAY 70 REQUIRES LANE CLOSURES IN HOT SPRINGS

LITTLE ROCK (7-16) Routine bridge maintenance on Highway 7 (Central Avenue) and Highway 70 (Airport Road) will require lane closures in Hot Springs, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing bridge navigational lights on two bridges crossing Lake Hamilton. The repairs will require closing the southbound outside lane on Highway 7 (Central Avenue) and the westbound outside lane on Highway 70 (Airport Road).

Both repairs will be completed on Thursday, July 18th between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
