BRIDGE REPAIRS ON INTERSTATE 40 REQUIRE LANE CLOSURE IN CARLISLE

LITTLE ROCK (8-16) – Bridge repairs will require a lane closure on Interstate 40 in Carlisle, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will be performed on the Highway 13 (North Bankhead Drive) overpass in Carlisle. The work will require one westbound lane to be closed between mile markers 180 and 183.

The closures will be Monday, August 19th and Tuesday, August 20th, between 9:00 a.m. and 3:00 p.m. each day, weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
