BRIDGE & MEDIAN WALL REPAIRS REQUIRE LANE CLOSURE ON U.S. HIGHWAY 67 IN JACKSONVILLE

LITTLE ROCK (9-20) – Bridge and median wall repairs on U.S. Highway 67 will require a lane closure in Jacksonville, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing the railing on the Main Street Bridge and the median wall just north of that bridge. The damage was caused by a traffic accident. The work will require the northbound inside lane to be closed from just south of Redmond Road to just north of the Main Street Bridge.

The closures will be Tuesday, September 24th through Thursday, September 26th between 9:00 a.m. and 3:00 p.m. each day, weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
