CONSTRUCTION REQUIRES DETOUR AT “BIG ROCK” INTERCHANGE IN LITTLE ROCK

LITTLE ROCK (9-24) – Construction will require a detour at the Interstate 430/630 (Big Rock) Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers will be hanging large beams. This will prevent access to the northeast loop ramp. Drivers traveling northbound on Interstate 430 wishing to travel west on Financial Centre Parkway or Chenal Parkway will need to take the Shackelford Road Exit, which is Exit 5.

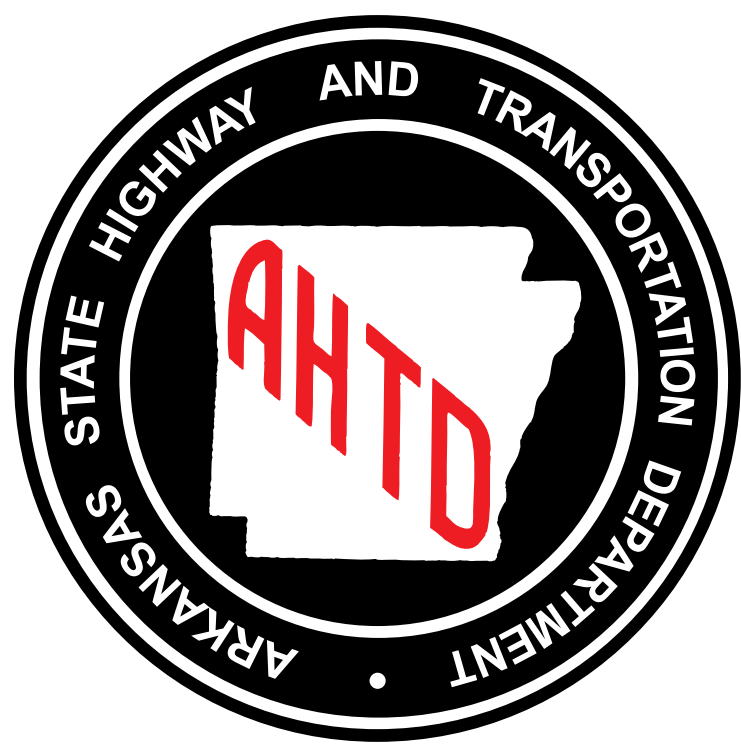

As a reminder, drivers will need to turn left on Hermitage Road to reach their destination. Left turns are no longer allowed from northbound Shackelford Road to Financial Centre Parkway.

For more information, see the attached map of the detour area.

The detour will begin Wednesday, September 25th at 6:00 a.m. and continue until Thursday, September 26th at 8:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
