LITTLE ROCK (10-22) – Mowing will require lane closures on Interstate 430, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be mowing near cable median barrier posts located close to Interstate 430 in Little Rock and North Little Rock.

The work will require closing portions of the northbound inside lane on Wednesday, October 23rd and portions of the southbound inside lane on Thursday, October 24th between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones and warning signs.
