BRIDGE INSPECTION REQUIRES LANE CLOSURES ON INTERSTATE 30 IN LITTLE ROCK

LITTLE ROCK (10-25) – A routine bridge inspection on Interstate 30 will require lane closures on the Arkansas River Bridge in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the eastbound and westbound outside lanes to be closed on the bridge. The closures will be Sunday, October 27th between 6:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
