INSTALLATION OF OVERHEAD SIGNS ON HIGHWAY 245 IN TEXARKANA CANCELLED

LITTLE ROCK (2-6) – The installation of two overhead metal signs on Highway 245 in Texarkana planned for Thursday night into Friday morning has been cancelled due to weather, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The two overhead signs will span the northbound and southbound lanes of Highway 245 between South State Line Avenue and Highway 549.

At this time the installation has not been rescheduled.

Motorists should exercise caution when approaching and traveling through all highway work zones.
