CONSTRUCTION WORK AT BIG ROCK INTERCHANGE IN LITTLE ROCK TO REQUIRE EXIT RAMP CLOSURE

LITTLE ROCK (2-7) -- Crews doing work at the Big Rock Interchange (I-430/I-630) in Little Rock will require closing the southbound Markham Street exit, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers will be painting beams on an interchange overpass. This will require the closure of the Markham Street exit ramp from I-430 southbound. Motorists will need to use the Shackleford Road/Hermitage Drive route to access Markham Street. The southbound Interstate 430 ramp to eastbound Interstate 630 and Shackleford Road/Hermitage Drive will not be affected.

The southbound Markham Street exit ramp closure will continue until 3:00 today. It will resume again Friday, February 8th at 9:00 a.m. until 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
