LITTLE ROCK (2-7) -- Crews will install two overhead metal signs on Highway 245 in Texarkana Tuesday night into Wednesday morning, according to Arkansas State Highway and Transportation Department (AHTD) officials. The work had been planned for tonight, but is being rescheduled due to weather.

The two overhead signs will span the northbound and southbound lanes of Highway 245 between South State Line Avenue and Highway 549. South State Line Avenue and Highway 549 will not be affected.

The project will begin Tuesday, February 12th at 11:00 p.m. It will be complete by Wednesday, February 13th at 5:00 a.m., weather permitting. Traffic in the northbound and southbound lanes of Highway 245 may be stopped for short intervals up to 15 minutes.
