OVERHEAD SIGN INSTALLATION REQUIRES TEMPORARY LANE CLOSURES ON INTERSTATE 30 IN MILLER COUNTY

LITTLE ROCK (3-7) -- Crews installing overhead signs will require temporary lane closures next week in Miller County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will begin Tuesday night, March 12th and conclude Friday morning, March 15th. The areas affected will be on Interstate 30 between Highway 245 and Highway 108, east of Texarkana. The project will require the westbound lanes to be closed for short intervals not to exceed 10 minutes. The work will only take place between the hours of 11:00 p.m. and 5:00 a.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
