INTERSTATE 430 ACCESS RAMP RE-OPENED IN LITTLE ROCK

LITTLE ROCK (3-7) -- Crews have re-opened an access ramp to Interstate 430 in the Big Rock Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

An access ramp to Interstate 430 southbound is now open at the intersection of Shackleford Road and Hermitage Road in Little Rock. The ramp was closed in May to install steel beams for flyover ramps, a barrier wall, and overhead lighting. It also included the re-construction of the ramp itself. The project was part of the \$125 million modification of the Interstate 430/630 (Big Rock) Interchange.

Motorists should exercise caution when approaching and traveling through all highway work zones.
