MAINTENANCE ON HIGHWAY 10 BRIDGE IN DOWNTOWN LITTLE ROCK REQUIRES LANE CLOSURE

LITTLE ROCK (3-8) -- Crews conducting repair work on the Highway 10 (LaHarpe Boulevard) Bridge in downtown Little Rock will require a lane closure, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The project is being performed on the westbound Highway 10 (LaHarpe Boulevard) bridge between Dillard's Headquarters and Episcopal Collegiate School. The work on the "Lincoln Viaduct" bridge deck will require the westbound outside lane to be closed today from 11:00 a.m. until 3:00 p.m.

Motorists should exercise caution when approaching and traveling through all highway work zones.
