IMPROVEMENTS TO INTERSTATE 430 WILL REQUIRE LANE CLOSURES IN WEST LITTLE ROCK

LITTLE ROCK (3-22) – Improvements to Interstate 430 will require a lane closure next week at the I-430/I-630 (Big Rock) Interchange in West Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the southbound outside lane of Interstate 430 to be closed between the Markham Street overpass and the Hermitage Road entrance ramp. The closure will be Tuesday, March 26th between 9:00 a.m. and 3:00 p.m. In the event of poor weather conditions, the project will be postponed until Wednesday, March 27th between 9:00 a.m. and 3:00 p.m., weather permitting.

The purpose is to construct a permanent barrier wall to improve traffic flow for motorists entering or exiting I-430 at Shackleford Road.

Motorists should exercise caution when approaching and traveling through all highway work zones.
