MAINTENANCE ON INTERSTATE 30 MEDIAN WALL REQUIRES LANE CLOSURE IN PULASKI COUNTY

LITTLE ROCK (3-29) – Maintenance work on an Interstate 30 median wall will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the eastbound inside lane of Interstate 30 to be closed between mile markers 139 and 142. That's located from just south of the I-30/I-630 interchange in Little Rock to just south of the I-30/I-40 interchange in North Little Rock. The closures will be Tuesday, April 2nd through Wednesday, April 3rd, between 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
