BRIDGE INSPECTION REQUIRES LANE CLOSURES ON ROOSEVELT ROAD IN LITTLE ROCK

LITTLE ROCK (4-12) – A routine bridge inspection on Roosevelt Road (Highway 70) in Little Rock will require lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will limit traffic to one lane in each direction on the railroad overpass located near the State Fairgrounds in Little Rock. Traffic will be controlled using cones and warning signs. The closures will be Monday, April 15th through Tuesday, April 16th, between 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
