BRIDGE PAINTING REQUIRES NIGHTLY LANE CLOSURE IN BIG ROCK INTERCHANGE

LITTLE ROCK (4-12) – Northbound traffic on I-430 in the Big Rock Interchange will be reduced to one lane for several nights so the contractor can paint steel girders of the flyover bridges, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Lane closures will be Sunday, April 14th through Thursday, April 18th between 9:00 p.m. and 5:00 a.m. each night, weather permitting. Only one lane will be closed and one will remain open to traffic. No detours will be used.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
