OVERHEAD SIGN WORK WILL REQUIRE TEMPORARY OVERNIGHT LANE CLOSURES ON INTERSTATE 30 IN MILLER COUNTY

LITTLE ROCK (4-15) – Crews working on overhead signs on Interstate 30 will require temporary overnight lane closures this week in Miller County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will begin Tuesday night, April 16th and conclude Friday morning, April 19th. The work will only take place between the hours of 11:00 p.m. and 5:00 a.m., weather permitting.

The area affected will be on Interstate 30 just west of Highway 245 (Hickerson Freeway) and just east of the Highway 549 Interchange (under construction) east of Texarkana. The project will require the eastbound lanes to be closed Tuesday and Wednesday nights. Westbound lanes will be closed Thursday night. All closures will be for short intervals not to exceed 10 minutes.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
